The Feb, March & April Forward Day By Day are also in the narthex.

## From the Parish Office....

We have decided to not send a full Newsletter out this month. We will be counting these Annual Reports as our Newsletter, and are planning on having the February newsletter go out at the regular time.

I have placed the 2010 offering envelopes in the Narthex. Please pick your box up. If you didn't receive a box and would like to have them, please call me and I will get you some.

The new Forward Day by Day for Feb., March & April are also in the Narthex.

I would also like to remind everyone that I am in the parish office Monday-Thursday 9-Noon.

With the privacy laws the hospitals, do not contact us unless you specifically ask them. So if you are hospitalized, please ask them to contact us or have a family member contact us, so we can have someone visit you.
